Ayaadi Consultation

Corporate Brochure

Connecting YOURS to THEIRS, globally.

Who We Are

Ayaadi is a one stop shop in global relationship management and networking. We provide a broad range of consulting services under one roof, from corporate finance, wealth advisory and asset management to real estate, digital transformation, HR, marketing and legal solutions, through our reliable, extensive worldwide networks.

Our expertise is to connect **YOURS** to **THEIRS** globally. We are the bridge that links your requirements to the people and partners who can support your operations and fuel your ambitions internationally.

Mission, Vision and Values

Mission: to connect clients to the people, partners and expertise they need to operate and grow internationally.

Vision: to be the most trusted bridge in global relationship management.

Values: integrity, excellence, partnership, innovation and accountability.

Our network covers mainly **Africa, Asia, the Middle East and Europe**.

Our Services

Global Network

Advisory teams and deal-making expertise across Africa, Asia, the Middle East and Europe: board counselling, capital markets, ESG, leveraged finance and tax advice.

Public Relations

PR support for global brands, mid-sized companies and startups entering new regions or international markets.

Website Consulting

UI/UX, SEO content, accessibility and performance testing, plus continuous optimization and maintenance.

IT Consulting

IT strategy, governance, risk and compliance, application integration, support and modernization.

Digital Transformation

Vision, capabilities, data warehousing and business intelligence tied to business outcomes.

Metaverse Consulting

Roadmaps, VR solutions and AR customer experiences for the Web 3.0 era.

Real Estate

Property sourcing, buying and selling support, leasing and management, development advisory and overseas property support.

Investment

Investment, wealth and asset management advice, structured products and corporate finance. Investments carry risk; this is not financial advice.

Human Resources (HR)

Recruitment, executive search, HR advisory, workforce planning, training and onboarding.
